FROM THE PRINCIPAL'S DESK

Happy New Year! Welcome back to Clark. It's 2009 and we continue to shine. All of our 8th grade students have submitted applications to high schools and are continuing toward their 8th grade graduation requirements including no D's or F's on their report card, pursuing a 2009 district-wide reading, writing and math score in the 24th percentile or better, fewer than 9 unexcused absences, passing the constitution test and completing community service hours. Congratulations to our school science fair

winners. Kieva P, Sean. M. Yoshi W. and Johnny W. will represent Clark at the Area 3 Science Fair. Excellence in science allows our students to display their application of ... reading, writing, research, math and the scientific method. All students received progress reports in December. Please schedule conferences with teachers to learn about how we can partner to ensure your child's success when report cards are distributed on January 28th.

Parent Notice

Clark will honor life and legacy of Dr. Martin Luther King, Jr on January 19, 2009. There will be activities throughout the day at Morton West High School presented by State Representative LeShawn Ford's Office.

Morton West High School
2400 Home Ave
Berwyn, IL 60402

Character Education – Throughout January our students will be engaged in activities relating to *setting goals*.
